# WHO WE ARE

Mitchell Harris is an award winning and energetic family winemaking business, creating and sharing some of the best wine and food our region has to offer since 2008.

In 2012, the Mitchell Harris team rediscovered an 1890s produce store and workshop, and crafted its industrial cool into a relaxed space to explore the wines of our region in the afternoon sun, cosy up by the fire, or celebrate your important event in style.

At Mitchell Harris we will create a remarkable wedding for you, with an unforgettable food and wine experience, in a unique atmosphere you and your guests will love.

### OUR HISTORY

Guests love the story behind our 1860s building and its connection to Ballarat, and the nature of the space means you'll be adding to the feel with your own unique touches.

### **3 UNIQUE SPACES**

The Main Bar, Seamstress Floor and Barrel Shed can be used individually or in combination to create your event. Perhaps a wedding ceremony upstairs, then moving to a cocktail party in the barrel shed might be ideal.

### WINE LIST WITHOUT PEER

Rated a top "Three Glasses" by Gourmet Traveller Wine, the Mitchell Harris Wine List is a credit to John Harris who's crafted an amazing collection. Our event selection showcases our Mitchell Harris wines as well as craft beers and ciders. Guests love to hear about how Mitchell Harris started as a regional winemaker and then progressed to be the great place it is now.
